'Living life in all its fullness'

Friday 6th October

### Headteacher's Note:

Another great week and some wonderful performances at the cross country event on Wednesday. A big well done to all the children involved. Just a polite message to those families who are using our breakfast club. You ***must book your child*** into the club to secure a place. On a few days this week we have had over 17 children attend who were not booked in. We do not want to ever turn children away but we do need children to be booked in. Thank you for your cooperation in this matter.

Have a great weekend.

Mark

### What's On:

### Year 3 News:

In our science lessons we have been learning about rocks and their different properties. We started our learning by exploring a range of different chocolates and we made careful observations about their properties noting their similarities and differences.

Then in our next lesson we looked at actual rock samples and used our prior learning to describe the different observable properties of the rocks as well before comparing them using venn diagrams. Children have enjoyed their learning about rocks.

### P.E & Sports News:

On Wednesday, we took 25 children to Egguckland for the second cross country event of the series. As always, our children showed true Compton spirit and ran their socks off to gain points for our team. A special mention must go to Jimmy in year 3 who came 3rd in his race after a tight finish! We now look forward to the Coombe Dean event next Tuesday.

On Friday afternoon, 5 children from year 5 took part in the annual PE leadership conference at the Life Centre. They enjoyed learning about all the traits of being a good leader and showcased their leadership skills in fun and engaging activities. We are now looking forward to using these PE leaders within our school setting

### School Association:

#### AGM:

A reminder that our AGM will be held on **Tuesday 17th October**. 7:45pm, Rising Sun pub. We have to present brief reports of the last year, talk through the School Association finances, and appoint a committee for the year ahead. Please come and join us - new faces are always welcome.

#### School Disco:

Our first disco of the school year is planned for **Thursday 16th November** - put the date in your diary! For those not familiar, we hold two separate discos on the same evening, one for KS1 and one for KS2.

The event needs volunteers - and without reaching the right number of helpers, we can't run the event. The kids LOVE the discos, so we urge you to sign up to support it if you can. If we have enough help for the discos to take place, tickets will go on sale after half term.

VOLUNTEER SIGN UP FORM: <https://form.typeform.com/to/UCh3p1Uv>

#### Christmas Shopping coach trip:

Bath proved to be the most popular destination in our recent poll, so we are off there for the opening weekend of Bath Christmas Market!

The date of the trip is **Saturday 25th November** and we will leave school at 7am. To make a really good day of it, we will leave Bath at 7pm - meaning plenty of time for shopping, eating and drinking.

Tickets are £30 return, with the coach leaving from outside Compton C of E and dropping back there around 10pm.

BOOKING LINK AND INSTRUCTIONS HERE: <https://form.typeform.com/to/yEspVP1J>

#### Christmas Fair:

We can't wait for this event - it's always so popular and such great fun! More details to follow, but please add **Saturday 2nd December** to your calendars because you won't want to miss it.

Calling all small businesses, crafters, and artists: if you'd like to reserve a stall, please get in touch on email ([compton-sa@hotmail.com](mailto:compton-sa@hotmail.com))
