### Living life in all its fullness

Friday 3<sup>rd</sup> November 2023

#### Head teacher's note:

This week Compton Governor Pamela Edwards and the Reverend Robin came up to school to present our Secret Agents with class sets of Action Bibles on behalf of Emmanuel Church. The children are all looking forward to having the bibles in class and flicking through to their favourite parts. I would like to thank Emmanuel Church very much for this incredibly generous gift.

### House Points:

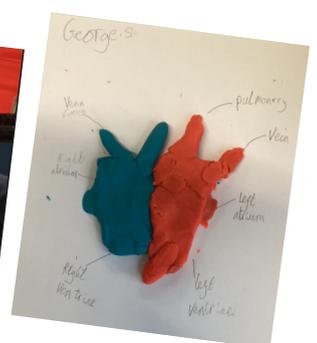

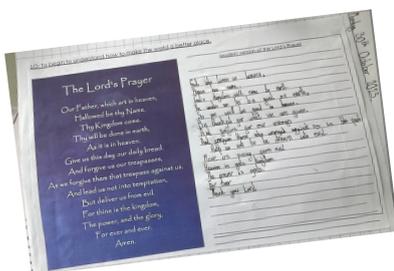

We are delighted to announce that our first winning House is Smeaton House this week, with a massive 273 points.  
Fantastic effort from all the children- keep this up!

### Year 6 News:

We have returned to school full of enthusiasm and ready to work hard in the term ahead! In RE we have been looking at the Lord's Prayer and turning it into a version that a Y1 child would understand. We are going to turn our prayers into an illustrated book that we will share with the Y1 children.

In Science, we are starting to learn about the heart and the circulatory system; this week we have been making our own heart models out of playdoh.

In English, we have been reading A Christmas Carol by Charles Dickens. The language is quite challenging but we are enjoying it and will be creating some wonderful character descriptions about Scrooge and non-chronological reports about a Victorian Christmas.

### PE and Sports News:

Unfortunately, our traditional English weather has meant that a number of PE events have been cancelled in recent weeks. However, here are some of the opportunities this term in which selected children will be representing our school;

- Quicksticks Hockey Festival
- Cross Country Finals
- Indoor Athletics Heat
- & much more after our return in January.

### School Association:

#### Autumn Disco

It's the first disco of the school year and it promises to be a good one! More information will come home in a letter on ParentMail next week, but here are the key details:

Date:

- Thursday 16<sup>th</sup> November.

Times:

- Key stage 1: 5:30-6:30pm
- Key stage 2: 6:45-8pm

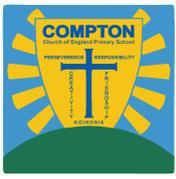

Cost:

- £3 per child

Please pay in advance using ParentPay. The office team is adding the disco to the system imminently, so keep checking and it should be on ParentPay very soon! Ordering tickets is cashless: please do not bring cash to the office.

Tickets must be purchased by Monday 13th November to secure a ticket. Wristbands will be issued to children on Wednesday 15th November (please check school/book bags) – children will need to wear their wristband to the disco so we can check them at the door.

Thank you to all the amazing volunteers – you should now have received copies of the rota. Please email us if you haven't.

We need to thank Woollcombe Yonge for sponsoring the fair. Their donation helps cover some of the costs – like buying refreshments, craft material, purchasing for the Secret's Room, building games, printing etc – and this means we spend less and make more profit! We are very thankful for their generosity.

A final thanks to Alan Cummings of Allied Surveyors & Valuers Ltd for sponsoring Santa's grotto gifts again this year. His kind gesture means we've got some really lovely treats lined up that we think the children will love and treasure.
