Year Group News:

### Year 1

Over the past two weeks, the children in Year One have been learning about performance poetry in English. The children have had lots of fun learning traditional nursery rhymes such as Old Mother Hubbard, Sing a Song of Sixpence, Jack and Jill and Old King Cole. We have been looking at how we can project our voices and speak with expression and enthusiasm! Children have also been writing nursery rhymes, identifying rhyming words and performing them in the theatre areas within their classrooms. This week we have been looking at a book called What are Little Girls Made Of? It explores new versions of traditional rhymes but with a twist! On Friday we will hopefully be performing our nursery rhymes to the children in the pre-school.

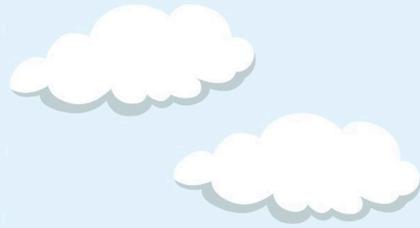

## PE & Sport News:

Our year 5/6 Netball team attended the regional finals in Paignton on Wednesday after their success in the Plymouth round. The quality of netball on show was outstanding and the children competed well in all of their fixtures against some top schools. We finished the day in 9th place (out of 100+ schools that entered!) having won 4, lost 2 and drawn 1. The team scored 20 goals across the day but most importantly demonstrated what it meant to be a great Compton team. Great fun was had by all and a pit stop in McDonalds for Mcflurrys on the way home topped off a brilliant day. A big thanks to coach Mrs Rhodes and assistant coach (and bus driver) Mr Hill for all their hard work.

Community News:

## **Y6 Leavers Party**

The parents who are organising the event are just checking on the numbers for the Year 6 Leavers' party.

They would really like to finalise the numbers next week so they can start to organise the event soon to save disappointment.

Please could you sign your child up via the link in the email even if you are away for the event as there is an option to say no to attendance.

This would be much appreciated; it looks as if Year 6 will have a wonderful summer term (after SATs!).
